- 1. On March 15, 2005, Plaintiff signed a valid Severance Agreement and Release of All Claims. The claims pleaded in the Complaint are within the scope of the release signed by Plaintiff. As such, Plaintiff is permanently barred from litigating his claims against Defendants.
- 2. Plaintiff's claims based on the California Fair Employment and Housing Act and the Americans with Disabilities Act are time-barred. This is so, because Defendants' allegedly unlawful conduct took place almost three years prior to the filing of Plaintiff's Complaint and the applicable statute of limitations with respect to Plaintiff's claims expired prior to the filing of his Complaint. Additionally, Plaintiff did not exhaust his administrative remedies prior to filing suit and is now time-barred from doing so.
- 3. Plaintiff's Complaint fails to state a claim upon which relief may be granted, because viewed in the light most favorable to Plaintiff, Plaintiff has failed to plead the essential elements of his FEHA and ADA-based claims. Additionally, Plaintiff's claims based on the Civil Rights Act solely rely upon his status as a clinically depressed homosexual contracted with the Acquired Immune Deficiency Syndrome. In light of the facts that Plaintiff is a Caucasian male and 42 U.S.C. sections 1981, 1983 and 1985 only protect individuals who allege racial discrimination, Plaintiff's claims are subject to dismissal with prejudice.
- 4. Defendant Cloudmark, Inc. is a private corporation and is not affiliated with any federal, state, or local governmental agency.
- 5. This Court does not have subject-matter jurisdiction to entertain Plaintiff's ADA-based claims.
- IT IS HEREBY ORDERED that Plaintiff's entire action be dismissed with prejudice as to each and every Defendant in this action. Alternatively, it is ordered that summary judgment be granted in favor of each and every Defendant in this action.

## SO ORDERED.
